

NEW Q 18/2

-Natasa Gospic, Ph D-

Abstract: Presentation introduce new Q 18/2 “**Implementation aspect of IMT 2000 and systems beyond IMT-2000 for developing countries**”, which was approved by WTDC, Doha 2006. It discusses the needs for study continuation on Q 18/2 as well as expected outputs during current study period. This presentation should stimulate participants to propose the way how to achieve expected results and to motivate them to take a part in next framework of Q 18/2.
