

Seminar closing: Mr. John Visser (Seminar Chairman)

Abstract: This presentation will be prepared in real time during the seminar. Based on the material presented and the questions and answers, and discussion, on each topic, it aims to be a summary of the key points of the presentations making up the seminar and the items that elicited interaction with the participants. It will therefore serve as a ready reference for participants to use to go back, review and think about particular topics in greater depth.
